and we finally settled on, yes, there's a need for medical help here

- **IN THE YEARS THAT FOLLOWED, JERICHO ROAD CONTINUED SENDING MEDICAL TEAMS TO LEARN ABOUT SIERRA LEONE'S HEALTHCARE LANDSCAPE AND BUILD BROAD-BASED SUPPORT. WE IDENTIFIED A PIECE OF LAND IN THE TOWN OF KOIDU AND ENTERED INTO AN AGREEMENT WITH THE GOVERNMENT OF SIERRA LEONE IN JUNE 2011.**

THEIR VISION...OUR MISSION

GOMA, DEMOCRATIC REPUBLIC OF CONGO

- THE HISTORY OF DRC IS COMPLEX, FILLED WITH WARFARE, ECONOMIC INSTABILITY, AND CORRUPTION. MANY OF THE CHILDREN HAVE BEEN BORN INTO VIOLENCE AND DO NOT KNOW THEIR PARENTS, OTHERS FLEE THEIR COMMUNITIES AND REMAIN INTERNALLY DISPLACED. JERICHO ROAD RECOGNIZES WHAT A CONCERNING STRESSOR THIS HAS BEEN ON THE CONGOLESE, AND IS CONFIDENT THAT PROVIDING QUALITY HEALTHCARE FOR THE UNDERSERVED IN GOMA IS A CRITICAL STEP TOWARDS IMPROVING THIS COMMUNITY.

THEIR VISION, OUR MISSION EXPLORATION TRIP

- *WHY GOMA?*

ONE OF THE REALITIES OF THE CONGOLESE HEALTH CARE SYSTEM IS THAT, WHILE THERE IS AN ABUNDANCE OF EDUCATED DOCTORS, NURSES, AND ADMINISTRATORS, THERE IS NO SAFETY NET FOR THE POOR.

- EVERYONE, INCLUDING CHILDREN AND PREGNANT WOMEN, NEEDS TO PAY IN ORDER TO RECEIVE CARE. THE SYSTEM LEAVES THE POOREST OF THE POOR WITH LITTLE TO NO ACCESS TO NEEDED MEDICAL SERVICES. IT IS FOR THESE PEOPLE THAT THE WELLNESS CLINIC WAS ESTABLISHED.

THEIR VISION, OUR MISSION THE BIRTH OF A CLINIC

- **Jericho Road's Wellness Clinic in Goma opened its doors in December 2016. It is located on the property of New Hope Center for Grieving Children- a facility for traumatized, grieving and orphaned children (as well as widowed mothers and their children).**
- **New Hope Center provides intensive support for traumatized and orphaned children (and their families)**
- **Jericho Road's Wellness Clinic at New Hope Center is providing essential primary medical care to not only the children and families of New Hope Center but also the most vulnerable individuals within the surrounding communities.**
