CMDA Northeast Regional
Director

Rabbi Frank
Lowinger

Congregation B'rith
Hadoshah

**September 11, 2021
8:00-4:30**

Buffalo, NY

Join healthcare professionals, students and friends from across Western NY for a one-day conference to remember 9/11 and the challenges of the COVID-19 pandemic and beyond. We will explore how the vision of health and wholeness set forth in Deuteronomy can prompt fresh imagination and insight into practicing healthcare.
