

COUNT  
IT ALL

CCHF clinics all over the country have experienced great stress for many reasons this past year. Amazingly, by the grace of God, most have also experienced rapid growth and supernatural provision. While we are grateful for growth, growth carries its own set of stressors. So April 7-9, CCHF will be gathering for an in-person conference designed to encourage and refresh. In addition to our normal agenda, we plan to offer a series of sessions focused on encouragement and joy.
