## My thoughts:

House of Hope is a quality, holistic ministry helping women leave a lifestyle of prostitution in Central America.

- Human connection based on dignity
- Evangelistic
- Discipleship
- Financially, microgrants
- Materially
- Vocational training
- They don't provide regular medical care
- Counselling focusing gospel-centered forgiveness and self-worth
- Education
- Child care assistance
- Uniforms and school supplies
- Generational impact

**Generational Impact**
